# TECHNICAL DATA SHEET

## GLOCK 17 BLANK KIT

### Identifiers

Calibre (UTM Ammunition): [9mm](#)

Origin: [United Kingdom/United States](#)

P/N: [01-2374](#)

NSN (NATO): [TBC](#)

Gross Package: [Plastic Case. 188mm \(7.40in\) x 36mm \(1.42in\) x 36mm \(1.42in\)](#)

[Gross Weight 0.315kg \(0.69lb\)](#)

### Compatible UTM Ammunition Types

### Kit Contents

The Conversion Kit consists of a replacement Barrel, Slide Assembly, Recoil Spring Assembly & Buffer.

### Operational Data

Operation: [Semi-Automatic](#).

Feed: [Magazine](#).

### Safety Features

- 'Live Round Lockout'.
- Non-Locking barrel; direct blowback only.
- Black indicators for easy identification the training barrel is installed.

### Warranty

UTM warrants that all firearm conversion kits will be free of defects in design, workmanship and materials, for a period of twenty-four (24) months following the date of delivery.

### Guidelines & Warnings

- UTM converted weapons must be fired "clean and dry" in the weapon bore and barrel. NO LUBRICATION IN THE BARREL.
- Keep all ammunition out of reach of children.
- UTM assumes no responsibility for injuries, loss or damage resulting from misuse of this or any of its products.

When converting back to 'Duty' use, ensure that the chamber and bore have been cleaned, cleared of all debris, objects or projectiles and inspected before firing a live round. Failure to ensure that the barrel of the host weapon is free from obstruction could result in damage to the barrel and/or injury to the operator.

European Patent number: 1228342 additional patents pending. US patent numbers: 6253682, 6371028, 6427600, 6095051, 6378439, 6422149, 6415718, 6564719 UTM, Ultimate Training Munitions, and the "Breech" logo design are trademarks belonging to UTM Ltd.

## GLOCK 17/22/31 BLANK BARREL ONLY

### Identifiers

Calibre (UTM Ammunition): 9mm

Origin: United Kingdom/United States

P/N: 01-2546

NSN (NATO): TBC

Gross Package: Plastic Case. 137mm (5.39in) x 38mm (1.50in) x 28mm (1.10in)

Gross Weight 0.137kg (.30lb)

TDS\_01-2546 Glock 17\_22\_31 Blank Barrel Only

### Compatible UTM Ammunition Types

### Kit Contents

The Conversion Kit consists of a replacement Barrel\*.

\*Note: Only for use with a UTM Slide. (UTM replacement Magazines & Recoil assemblies may also be required).

### Operational Data

Operation: Semi-Automatic.

Feed: Magazine.

### Safety Features

- 'Live Round Lockout'.
- Non-Locking barrel; direct blowback only.
- Black indicators for easy identification the training barrel is installed.

### Warranty

UTM warrants that all firearm conversion kits will be free of defects in design, workmanship and materials, for a period of twenty-four (24) months following the date of delivery.

### Guidelines & Warnings

- UTM converted weapons must be fired "clean and dry" in the weapon bore and barrel. NO LUBRICATION IN THE BARREL.
- Keep all ammunition out of reach of children.
- UTM assumes no responsibility for injuries, loss or damage resulting from misuse of this or any of its products.

When converting back to 'Duty' use, ensure that the chamber and bore have been cleaned, cleared of all debris, objects or projectiles and inspected before firing a live round. Failure to ensure that the barrel of the host weapon is free from obstruction could result in damage to the barrel and/or injury to the operator.

European Patent number: 1228342 additional patents pending. US patent numbers: 6253682, 6371028, 6427600, 6095051, 6378439, 6422149, 6415718, 6564719 UTM, Ultimate Training Munitions, and the "Breech" logo design are trademarks belonging to UTM Ltd.
