### Warranty

UTM warrants that all firearm conversion kits will be free of defects in design, workmanship and materials, for a period of twenty-four (24) months following the date of delivery.

### Guidelines & Warnings

- UTM converted firearms must be fired "clean and dry" in the firearm bore and barrel. NO LUBRICATION IN THE BARREL.
- Keep all ammunition out of reach of children.
- UTM assumes no responsibility for injuries, loss or damage resulting from misuse of this or any of its products.

**When converting back to 'Duty' use, ensure that the chamber and bore have been cleaned, cleared of all debris, objects or projectiles and inspected before firing a live round. Failure to ensure that the barrel of the host firearm is free from obstruction could result in damage to the barrel and/or injury to the operator.**
