UTM GROIN PROTECTOR

Identifiers

Designation: [UTM Groin Protector](#)

P/N: [69-GP-BLACKN](#)

Size: [One-Size fits all.](#)

Product Approvals

The UTM Protective Clothing have been rigorously tested in our testing facility.

Features

The UTM Groin Protector was designed and developed in conjunction with military and law enforcement customers to be worn while using the UTM Man Marker Round (MMR) during Force-on-Force training.

- Dual Elastic strap adjustments for a comfortable & secure fit.
- Internal Hard Vinyl Plastic Plate for added protection.
- Cut for more coverage for use by both male and female.
- Lightweight & heavy duty construction.

Mesh, Padding & Materials

- All protective clothing is made with a cool mesh material.
- Interior panels are constructed with durable 420D Pack Cloth and Closed Cell foam for maximum impact protection and durability.
- Double stitching.

European Patent number: 1228342 additional patents pending. US patent numbers: 6253682, 6371028, 6427600, 6095051, 6378439, 6422149, 6415718, 6564719 UTM, Ultimate Training Munitions, and the "Breech" logo design are trademarks belonging to UTM Ltd.

TECHNICAL DATA & USAGE SHEET

UTM GROIN PROTECTOR

Care, Cleaning and Maintenance

UTM Protective Clothing is intended to be issued as an item of Personal Protective Equipment (PPE). The clothing should be cleaned and sanitized upon completion of training.

- Wipe clean after each use with mild detergent/water or water only. Hang dry.
- Machine wash on normal with mild detergent. Hang dry or tumble dry normal.

Usage Guidelines

- Intended only for supervised training conducted in accordance with UTM safety training protocols by law enforcement, military or professional training and security organizations.
- Verify that all PPE is correctly fitted, ensuring there are no exposed areas of the skin.
- UTM assumes no responsibility for injuries, loss or damage resulting from misuse of this or any of its products.

WARNINGS

Whenever training with UTM Man-Marker Rounds, it is mandatory that all personnel in the training area wear the appropriate UTM Personal Protective Equipment which is designed to handle the impact energies of the UTM MMR. When training with UTM MMR there are to be no areas of exposed skin. It is imperative that while training is in action, ALL protective gear MUST fit correctly and be in position at all times. ALL UTM PPE are for NLTA ONLY!
