

TECHNICAL DATA & USAGE SHEET

UTM PROTECTIVE GLOVES

Identifiers

Designation: UTM Protective Gloves
P/N: 69-0310-M, 69-0310-L, 69-0310-XL
NSN (NATO): 8415-99-839-0140
Sizes: M, L, XL.

Product Approvals

The UTM Protective Clothing have been rigorously tested in our testing facility.

Armour

Flexible Polymer Armour will not inhibit the natural movement of the hands, keeping hands unrestricted while protected from Non-Lethal Training Ammunition.

- Trigger Finger is left unrestricted for precise trigger control to deliver an accurate shot.

Features

The UTM Protective Gloves was designed and developed in conjunction with military and law enforcement customers to be worn while using the UTM Man Marker Round (MMR) during Force-on-Force training.

- Velcro Wrist Adjustment.
- Flexible Polymer Armour.
- Unrestricted Trigger Finger.
- Genuine Leather Palm with reinforced padding providing excellent grip and feel.

European Patent number: 1228342 additional patents pending. US patent numbers: 6253682, 6371028, 6427600, 6095051, 6378439, 6422149, 6415718, 6564719 UTM, Ultimate Training Munitions, and the "Breech" logo design are trademarks belonging to UTM Ltd.

TECHNICAL DATA & USAGE SHEET

UTM PROTECTIVE GLOVES

Care, Cleaning and Maintenance

The UTM Protective Gloves are intended to be issued as an item of Personal Protective Equipment (PPE). The gloves should be cleaned and sanitized upon completion of training.

- Do Not Machine Wash gloves. Wipe or spot clean excess wax with a damp cloth.
- DO NOT use Detergents as it may damage the leather palms.
- Inspect gloves for damage prior to any training exercises. If skin is exposed from damaged or ripped gloves, replace gloves immediately.

Usage Guidelines

- Intended only for supervised training conducted in accordance with UTM safety training protocols by law enforcement, military or professional training and security organizations.
- Verify that all PPE is correctly fitted, ensuring there are no exposed areas of the skin.
- UTM assumes no responsibility for injuries, loss or damage resulting from misuse of this or any of its products.

WARNINGS

- Never remove gloves during training or in or near a training area.
- Do Not use bleach, Do Not Dry Clean, Do Not Tumble Dry and Do Not Iron the UTM Protective Gloves..
