- Blue indicators for easy identification the training bolt is installed.

Warranty

UTM warrants that all firearm conversion kits will be free of defects in design, workmanship and materials, for a period of twenty-four (24) months following the date of delivery.

Guidelines & Warnings

- UTM converted weapons must be fired “clean and dry” in the weapon bore and barrel. NO LUBRICATION IN THE BARREL.
- Keep all ammunition out of reach of children.
- UTM assumes no responsibility for injuries, loss or damage resulting from misuse of this or any of its products.

When converting back to ‘Duty’ use, ensure that the chamber and bore have been cleaned, cleared of all debris, objects or projectiles and inspected before firing a live round. Failure to ensure that the barrel of the host weapon is free from obstruction could result in damage to the barrel and/or injury to the operator.
