## UTM PROTECTIVE GLOVES

### Identifiers

---

Designation: UTM Protective Gloves  
P/N: 69-0310-M, 69-0310-L, 69-0310-XL  
NSN (NATO): 8415-99-839-0140  
Sizes: M, L, XL.

### Product Approvals

---

The UTM Protective Clothing have been rigorously tested in our testing facility.

### Armour

---

Flexible Polymer Armour will not inhibit the natural movement of the hands, keeping hands unrestricted while protected from Non-Lethal Training Ammunition.

- Trigger Finger is left unrestricted for precise trigger control to deliver an accurate shot.

### Features

---

The UTM Protective Gloves was designed and developed in conjunction with military and law enforcement customers to be worn while using the UTM Man Marker Round (MMR) during Force-on-Force training.

- Velcro Wrist Adjustment.
- Flexible Polymer Armour.
- Unrestricted Trigger Finger.
- Genuine Leather Palm with reinforced padding providing excellent grip and feel.

European Patent number: 1228342 additional patents pending. US patent numbers: 6253682, 6371028, 6427600, 6095051, 6378439, 6422149, 6415718, 6564719 UTM, Ultimate Training Munitions, and the "Breech" logo design are trademarks belonging to UTM Ltd.

## UTM PROTECTIVE GLOVES

### Care, Cleaning and Maintenance

---

The UTM Protective Gloves are intended to be issued as an item of Personal Protective Equipment (PPE). The gloves should be cleaned and sanitized upon completion of training.

- Do Not Machine Wash gloves. Wipe or spot clean excess wax with a damp cloth.
- DO NOT use Detergents as it may damage the leather palms.
- Inspect gloves for damage prior to any training exercises. If skin is exposed from damaged or ripped gloves, replace gloves immediately.

### Usage Guidelines

---

- Intended only for supervised training conducted in accordance with UTM safety training protocols by law enforcement, military or professional training and security organizations.
- Verify that all PPE is correctly fitted, ensuring there are no exposed areas of the skin.
- UTM assumes no responsibility for injuries, loss or damage resulting from misuse of this or any of its products.

### WARNINGS

---

- Never remove gloves during training or in or near a training area.
- Do Not use bleach, Do Not Dry Clean, Do Not Tumble Dry and Do Not Iron the UTM Protective Gloves..
